\*All data reflects **estimated** awards, actual award may vary. Estimates are based on data from CRS, Census Bureau, and HUD

\*2021 state allocation assumes equal unemployment distribution and that labor force shares remain constant

\*Entitlement community and county data is based on the 2019 Census

\*Nonentitlement communities allocation data is based on the 2018 Census, estimates reflect the total nonentitlement that underlying population generates - overlapping jurisdictions may reduce amounts provided to governments, and town totals will not sum to total allocation
