The Honorable Kay Granger  
Ranking Member  
Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the expansion of **Niagara Falls Air Reserve Station Hanger 850** in fiscal year 2022.

The entity to receive funding for this project is the **Niagara Falls Air Reserve Station (NFARS)**, located at 10405 Lockport Rd, Niagara Falls, New York 14304.

NFARS has been designated by Air Force Reserve Command (AFRC) as a Regional Periodic Inspection (REPI) site for KC-135R aircraft. To perform these functions, modification is required to two existing NFARS hangars (850 & 902). The provision of funds will bring NFARS/914th's facilities into compliance for purposes of performing the REPI function, which will add approximately 60 Full-Time Equivalent positions to NFARS as well as enhancing the military value of NFARS to AFRC and the USAF.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Brian Higgins

Member of Congress
